About This Game

Oh no!

This cute little kitty cat is alone and lost in a haunted house! Only by collecting pennies, saving a girl named Penny, and defeating monsters can she find the way out! Use your fast fingers to defeat this adorably dark and funny platform game.

Dis game is so scaawwy!

Includes Xbox gamepad support (if supported by your OS).

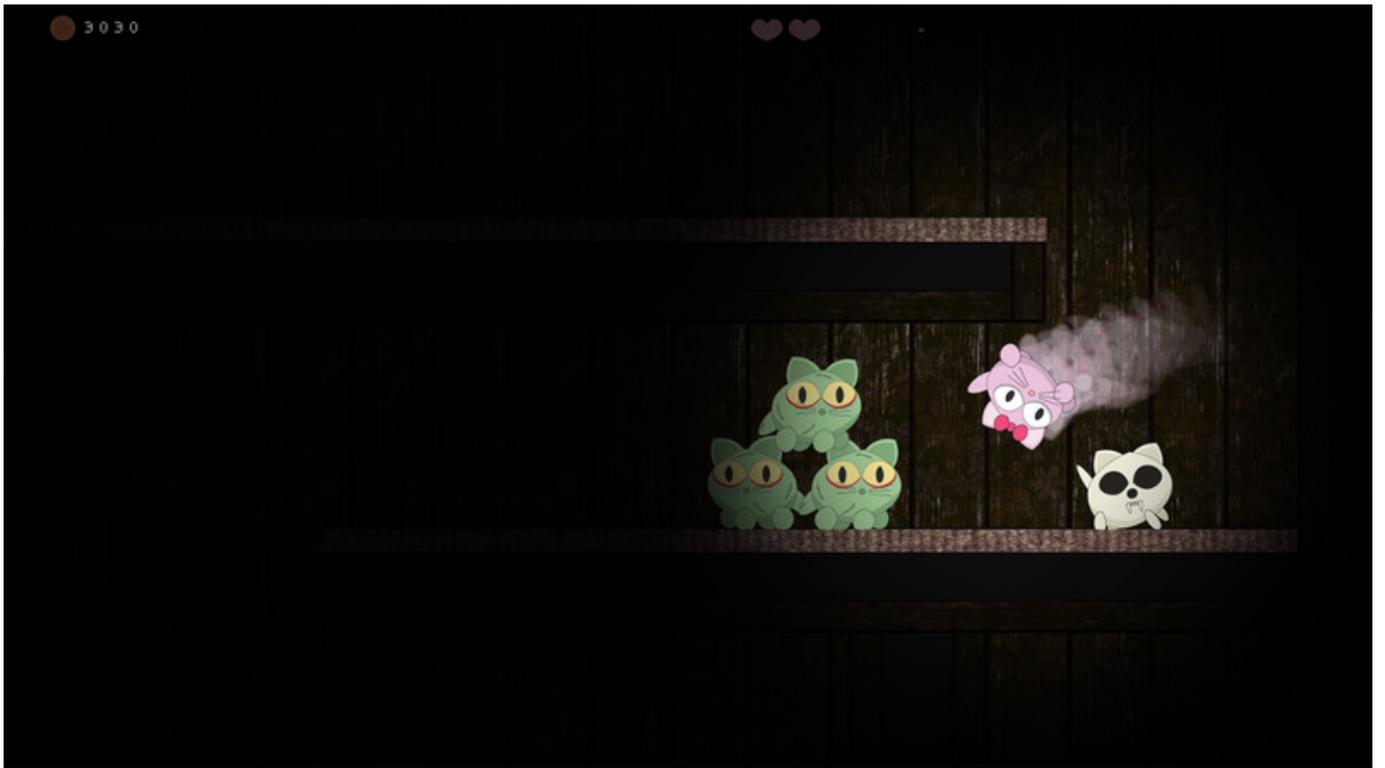

YouTube Let's Play/Reviewers: Feel free to use Spooky Cats gameplay in your online monetized videos.

English

2980

great game would buy it again, very fun. Great game to waste time and enjoy all of the cat like features. got this with a coupon the other day. i dont really get the positive review lol
its a platformer, no story or a challenge. I really like cats, but i didnt really like this game xD
and idk why this game is "spooky cats" cuz they arent even spooky.
